

[Table of Contents](#)**DESCRIPTION OF SELLING SECURITYHOLDER WARRANTS**

The summary of the material terms of the Selling Securityholder Warrants below is qualified in its entirety by reference to the Form of Selling Securityholder Warrant Certificate, a copy of which is included as Exhibit 4.2 to the registration statement of which this prospectus is a part and incorporated by reference herein. This summary may not contain all of the information about the Selling Securityholder Warrants that is important to you. We encourage you to read carefully the Form of Selling Securityholder Warrant Certificate in its entirety. Unless the context otherwise requires, definitions of terms provided in this “Description of Selling Securityholder Warrants” apply solely for purposes of this section.

**Common Stock Subject to the Selling Securityholder Warrants**

Each Selling Securityholder Warrant initially entitles the holder thereof to purchase one share of Common Stock. The Selling Securityholder Warrants, in the aggregate, initially grant the holders thereof the right to purchase an aggregate of 446,167 shares of Common Stock at an exercise price of \$7.00 per share of Common Stock, in each case subject to certain anti-dilution adjustments as described under “—Anti-Dilution Adjustments” below. Currently there are 446,167 Selling Securityholder Warrants unexercised and outstanding.

**Exercise of the Selling Securityholder Warrants**

The Selling Securityholder Warrants are exercisable in whole or in part from time to time on any business day beginning on September 2, 2011 and ending on September 2, 2021. Any unexercised Selling Securityholder Warrants shall expire and the rights of the holders of such Selling Securityholder Warrants to purchase Common Stock shall terminate at the close of business on September 2, 2021. In order to exercise a Selling Securityholder Warrant, the holder thereof must (i) surrender their warrant certificate to us, with the exercise subscription form attached thereto duly completed and executed, and (ii) pay in full the exercise price then in effect for the shares of Common Stock as to which such warrant certificate is submitted for exercise. Such payment shall be made to us in cash, by bank wire transfer in immediately available funds to an account designated by us.

If fewer than all the Selling Securityholder Warrants represented by a warrant certificate are surrendered, their warrant certificate shall be surrendered and a new warrant certificate of the same tenor and for the number of Selling Securityholder Warrants that were not surrendered shall promptly be executed and delivered to the person or persons as may be directed in writing by the holder thereof, and we will register the new warrant certificate in the name of such person or persons. Any new warrant certificate shall be executed on behalf of us by our President, Chief Executive Officer, Chief Financial Officer or Secretary, either manually or by facsimile signature printed thereon. In case any of our officers whose signature shall have been placed upon any warrant certificate shall cease to be such officer before issue and delivery thereof, such warrant certificate may, nevertheless, be issued and delivered with the same force and effect as though such person had not ceased to be such officer.

Upon surrender of a warrant certificate in accordance with the provisions contained therein, we will instruct our transfer agent to transfer to the holder thereof appropriate evidence of ownership of any shares of Common Stock or other securities or property (including cash) to which such holder is entitled, registered or otherwise placed in, or payable to the order of, such name or names as may be directed in writing by such holder (subject to the terms of the warrant certificate), and shall deliver such evidence of ownership and any other securities or property (including cash) to the person or persons entitled to receive the same, together with an amount in cash in lieu of any fraction of a share as described under “—Fractional Shares” below. Upon payment of the exercise price therefor, the holder of Selling Securityholder Warrants (or its designee) shall be deemed to own and have all of the rights associated with any Common Stock or other securities or property (including cash) to which it is entitled pursuant to the warrant certificate upon the surrender thereof.

[Table of Contents](#)**Anti-Dilution Adjustments**

The number of shares issuable upon exercise of the Selling Securityholder Warrants and the exercise price shall be subject to the following adjustments from time to time:

- *Stock Dividends.* In case we pay or make a dividend or other distribution on the Common Stock in Common Stock, the number of shares of Common Stock issuable upon exercise of each Selling Securityholder Warrant, as in effect at the opening of business on the day following the record date for such dividend or distribution, shall be adjusted so that the holder of the Selling Securityholder Warrants shall thereafter be entitled to receive the number of shares of Common Stock that such holder would have owned or have been entitled to receive after the happening of the dividend or other distribution, had such Selling Securityholder Warrant been exercised immediately prior to the record date; and, in the event of any such adjustment, the exercise price, as in effect at the opening of business on the day following the record date for such dividend or other distribution, shall be adjusted by multiplying such exercise price by a fraction of which the numerator shall be the number of shares of Common Stock outstanding at the close of business on the record date and the denominator shall be the sum of such number of shares and the total number of shares constituting such dividend or other distribution. Such adjustments shall become effective immediately after the opening of business on the day following the record date.
- *Stock Purchase Rights.* In case we issue to all holders of Common Stock options, warrants or other rights entitling them to subscribe for or purchase shares of Common Stock for a period expiring within 60 days from the date of issuance of such options, warrants or other rights at a price per share of Common Stock less than the Market Value (as defined below) on the record date for such options, warrants or other rights (other than pursuant to a dividend reinvestment, share purchase or similar plan), the number of shares of Common Stock issuable upon the exercise of each Selling Securityholder Warrant shall be adjusted by multiplying the number of shares of Common Stock issuable upon exercise of each Selling Securityholder Warrant, as in effect at the opening of business on the day following the record date, by a fraction, the numerator of which shall be the number of shares of Common Stock outstanding at the close of business on the record date plus the number of shares of Common Stock so offered for subscription or purchase, either directly or indirectly, and the denominator of which shall be the number of shares of Common Stock outstanding at the close of business on the record date plus the number of shares of Common Stock which the aggregate consideration expected to be received by us upon the exercise, conversion or exchange of such options, warrants or other rights (as determined in good faith by the Board, whose determination shall be conclusive and described in a Board resolution) would purchase at such Market Value; and, in the event of any such adjustment, the exercise price in effect at the opening of business on the day following the record date shall be adjusted by multiplying such exercise price by a fraction, the numerator of which shall be the number of shares of Common Stock outstanding at the close of business on the record date plus the number of shares of Common Stock which the aggregate consideration expected to be received by us upon the exercise, conversion or exchange of such options, warrants or other rights (as determined in good faith by the Board, whose determination shall be conclusive and described in a Board resolution) would purchase at such Market Value and the denominator of which shall be the number of shares of Common Stock outstanding at the close of business on the record date plus the number of shares of Common Stock so offered for subscription or purchase, either directly or indirectly. Such adjustments shall become effective immediately after the opening of business on the day following the record date; provided, however, that no such adjustments shall be made if such holder would be entitled to receive such options, warrants or other rights upon exercise at any time of the Selling Securityholder Warrants; provided, further, however, that if any of the foregoing options, warrants or other rights are only exercisable upon the occurrence of certain triggering events, then no such adjustments shall be made until such triggering event occurs.
- *Stock Splits, Reverse Splits and Combinations.* In case outstanding shares of Common Stock are subdivided, split or reclassified into a greater number of shares of Common Stock, then the number of shares of Common Stock issuable upon exercise of each Selling Securityholder Warrant in effect at the

Table of Contents

opening of business on the day following the effective date of such subdivision, split or reclassification shall be adjusted so that the holder thereof shall thereafter be entitled to receive the number of shares of Common Stock that such holder would have owned or would have been entitled to receive had such Selling Securityholder Warrant been exercised immediately prior to the effective date of such subdivision, split or reclassification; and, in the event of any such adjustment, the exercise price in effect at the opening of business on the day following the effective date of such subdivision, split or reclassification shall be proportionately reduced. Conversely, in case outstanding shares of Common Stock shall be combined or reclassified into a smaller number of shares of Common Stock, then the number of shares of Common Stock issuable upon exercise of each Selling Securityholder Warrant in effect at the opening of business on the day following the date upon which such combination or reclassification becomes effective shall be adjusted so that the holder thereof shall thereafter be entitled to receive the number of shares of Common Stock that such holder would have owned or would have been entitled to receive had such Selling Securityholder Warrant been exercised immediately prior to the effective date of such combination or reclassification; and, in the event of any such adjustment, the exercise price in effect at the opening of business on the day following the effective date upon of such combination or reclassification shall be proportionately increased. Such adjustments will become effective immediately after the opening of business on the day following the effective date of such subdivision, split, reclassification or combination.

- *Debt, Asset or Security Distributions.* In case we, by dividend or otherwise, distribute to all holders of Common Stock evidences of our indebtedness, assets or securities (but excluding any dividend or distribution of options, warrants or other rights referred to under “—Stock Purchase Rights” above, any dividend or distribution paid exclusively in cash, any dividend or distribution of shares of capital stock of any class or series, or similar equity interests, of or relating to a subsidiary or other business unit in the case of a Spin-off (as defined below) referred to under “—Spin-offs” below, or any dividend or distribution referred to in “—Stock Dividends” above), then the number of shares of Common Stock issuable upon the exercise of each Selling Securityholder Warrant immediately prior to the close of business on the record date for such distribution shall be increased to a number determined by multiplying the number of shares of Common Stock issuable upon the exercise of such Selling Securityholder Warrant immediately prior to the record date by a fraction, the numerator of which shall be the Market Value on the record date plus the fair market value (as determined in good faith by the Board, whose determination shall be conclusive and described in a Board resolution) of the portion of the assets or evidences of indebtedness so distributed applicable to one share of Common Stock and the denominator of which shall be the Market Value on the record date; and, in the event of any such adjustment, the exercise price shall be reduced by multiplying the exercise price in effect immediately prior to the close of business on the record date for such distribution by a fraction, the numerator of which shall be the Market Value on the record date and the denominator of which shall be such Market Value plus the fair market value (as determined in good faith by the Board, whose determination shall be conclusive and described in a Board resolution) of the portion of the assets or evidences of indebtedness so distributed applicable to one share of Common Stock. Such adjustments shall become effective immediately prior to the opening of business on the day following the record date for such distribution. In any case in which this provision is applicable, the terms described under “—Spin-offs” below shall not be applicable.
- *Spin-offs.* In the case of a Spin-off, the number of shares of Common Stock issuable upon the exercise of each Selling Securityholder Warrant immediately prior to the close of business on the record date for such distribution shall be increased to a number determined by multiplying the number of shares of Common Stock issuable upon the exercise of such Selling Securityholder Warrant immediately before the close of business on such date by a fraction, the numerator of which shall be the Market Value plus the fair market value (as determined in good faith by the Board, whose determination shall be conclusive and described in a Board resolution) of the portion of those shares of capital stock or similar equity interests so distributed applicable to one share of Common Stock, and the denominator of which shall be the Market Value; and, in the event of any such adjustment, the exercise price in effect immediately prior to the close of business on the record date for such distribution shall be reduced by multiplying the exercise price by a fraction, the numerator of which shall be the Market Value and the denominator of which shall be the Market Value plus the fair market value (as

Table of Contents

determined in good faith by the Board, whose determination shall be conclusive and described in a Board resolution) of the portion of those shares of capital stock or similar equity interests so distributed applicable to one share of Common Stock. Any adjustments under this provision will occur on the date that is the earlier of (1) the tenth trading day from, and including, the effective date of the Spin-off and (2) the date of the initial public offering of the securities being distributed in the Spin-off, if that initial public offering is effected simultaneously with the Spin-off.

- *Tender Offers.* In the case that a tender or exchange offer made by us or any of our subsidiaries for all or any portion of the Common Stock shall expire and such tender or exchange offer (as amended through the expiration thereof) shall require the payment to stockholders of the Company (based on the acceptance (up to any maximum specified in the terms of the tender or exchange offer) of Purchased Shares (defined below)) of aggregate consideration having a fair market value (as determined in good faith by the Board, whose determination shall be conclusive and described in a Board resolution) per share of Common Stock that exceeds the closing sale price of the Common Stock on the trading day next succeeding the last date on which tenders or exchanges may be made pursuant to such tender or exchange offer, then, immediately prior to the opening of business on the day after the date of the last time (the “Expiration Time”) tenders or exchanges could have been made pursuant to such tender or exchange offer (as amended through the expiration thereof), the number of shares of Common Stock issuable upon the exercise of each Selling Securityholder Warrant immediately prior to the close of business on the date of the Expiration Time shall be increased to a number determined by multiplying the number of shares of Common Stock issuable upon exercise of each Selling Securityholder Warrant immediately prior to the close of business on the date of the Expiration Time by a fraction (A) the numerator of which shall be equal to (x) the product of (I) the Market Value on the date of the Expiration Time and (II) the number of shares of Common Stock outstanding (including any tendered or exchanged shares) on the date of the Expiration Time less the number of all shares validly tendered or exchanged, not withdrawn and accepted for payment on the date of the Expiration Time (such validly tendered or exchanged shares, up to any such maximum, being referred to as the “Purchased Shares”) plus (y) the amount of cash plus the fair market value (determined as aforesaid) of the aggregate consideration payable to stockholders of the Company pursuant to the tender or exchange offer (assuming the acceptance, up to any maximum specified in the terms of the tender or exchange offer, of Purchased Shares), and (B) the denominator of which shall be equal to the product of (x) the Market Value on the date of the Expiration Time and (y) the number of shares of Common Stock outstanding (including any tendered or exchanged shares) on the date of the Expiration Time; and, in the event of any such adjustment, the exercise price shall be reduced by multiplying the exercise price immediately prior to the close of business on the date of the Expiration Time by a fraction (A) the numerator of which shall be equal to the product of (x) the Market Value on the date of the Expiration Time and (y) the number of shares of Company Common Stock outstanding (including any tendered or exchanged shares) on the date of the Expiration Time, and (B) the denominator of which shall be equal to (x) the product of (I) the Market Value on the date of the Expiration Time and (II) the number of shares of Common Stock outstanding (including any tendered or exchanged shares) on the date of the Expiration Time less the number of Purchased Shares plus (y) the amount of cash plus the fair market value (determined as aforesaid) of the aggregate consideration payable to stockholders of the Company pursuant to the tender or exchange offer (assuming the acceptance, up to any maximum specified in the terms of the tender or exchange offer, of Purchased Shares).

Notwithstanding anything to the contrary, no adjustment need be made to the number of shares issuable upon exercise of a Selling Securityholder Warrant or the exercise price unless such adjustment would require an increase or decrease of at least 1.0% of the number of shares issuable upon exercise of the Selling Securityholder Warrants or the exercise price immediately prior to the making of such adjustment. Any lesser adjustment shall be carried forward and shall be made at the time of and together with the next subsequent adjustment, if any, which, together with any adjustment or adjustments so carried forward, shall result in an increase or decrease of at least 1.0% of the number of shares issuable upon exercise of a Selling Securityholder Warrant or the exercise price immediately prior to the making of such adjustment. No adjustment to the exercise price shall be made if such adjustment will result in an exercise price that is less than the par value of the Common Stock. All adjustments to the number of shares issuable upon exercise of the Selling Securityholder Warrants or the exercise price shall be calculated to the nearest 1/10,000th of a share of Common Stock (or if there is not a nearest 1/10,000th of a share to the next lower 1/10,000th of a share) or the nearest \$0.0001 (or if there is not a nearest \$0.0001 to the next lower \$0.0001), as the case may be.

Table of Contents

We may make such increases in the number of shares issuable upon exercise of the Selling Securityholder Warrants or reductions in the exercise price, in addition to those required above, as the Board considers advisable in order to avoid or diminish any income tax to any holders of shares of Common Stock resulting from any dividend or distribution of stock or issuance of rights or warrants to purchase or subscribe for stock or from any event treated as such for income tax purposes. In the event we elect to make such an increase in the number of shares issuable upon exercise of the Selling Securityholder Warrants or such a reduction in the exercise price, we will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder, if and to the extent that such laws and regulations are applicable in connection with the increase in the number of shares issuable upon exercise of the Selling Securityholder Warrants or the reduction in the exercise price.

Upon exercise of the Selling Securityholder Warrants by a holder thereof, to the extent that such holder receives Common Stock, such holder shall receive, in addition to the shares of Common Stock and any cash for fractional shares as described under “—Fractional Shares” below, if any, the rights issued under any future stockholder rights plan we may establish whether or not such rights are separated from the Common Stock prior to exercise. A distribution of rights pursuant to any stockholder rights plan will not result in an adjustment to the number of shares issuable upon exercise of the Selling Securityholder Warrants or the exercise price pursuant to “—Stock Purchase Rights” and “—Debt, Asset or Security Distributions” above, provided that we have provided for the holder to receive such rights upon exercise.

If we take a record of the holders of Common Stock for the purpose of entitling them to receive a dividend or other distribution, and shall thereafter (and before the dividend or distribution has been paid or delivered to stockholders) legally abandon its plan to pay or deliver such dividend or distribution, then thereafter no adjustment in the number of shares issuable upon exercise of the Selling Securityholder Warrants or the exercise price then in effect shall be required by reason of the taking of such record.

The applicable number of shares issuable upon exercise of the Selling Securityholder Warrants and exercise price shall not be adjusted:

- upon the issuance of any shares of Common Stock pursuant to any present or future plan providing for the reinvestment of dividends or interest payable on our securities and the investment of additional optional amounts in shares of Common Stock under any such plan;
- upon the issuance of any shares of Common Stock or options or rights to purchase those shares pursuant to any present or future employee, director or consultant benefit plan or program of or assumed by us or any of our Subsidiaries;
- upon the issuance of any shares of Common Stock pursuant to any option, warrant, right or exercisable, exchangeable or convertible security outstanding as of the Issue Date;
- for a change in the par value of the Common Stock;
- for accrued and unpaid dividends on the Selling Securityholder Preferred Stock; or
- for the 4-for-1 reverse stock split consummated on September 2, 2011 pursuant to the Investment Agreement (as defined below).

“Market Value” means, with respect to any date of determination, the average closing sale price of the Common Stock for a five consecutive trading day period preceding the earlier of (i) the day preceding the date of determination and (ii) the day before the “ex date” with respect to the issuance or distribution requiring such computation. For purposes of this definition, the term “ex date,” when used with respect to any issuance or distribution, means the first date on which the Common Stock trades, regular way, on the over-the-counter “Pink Sheets” market or, if the Common Stock is listed on a national securities exchange, the principal national securities exchange on which the Common Stock is traded at that time, without the right to receive the issuance or distribution.

**Table of Contents**

“Spin-off” means a dividend or other distribution of shares of capital stock of any class or series, or similar equity interests, of or relating to a subsidiary or other business unit of the Company.

**Recapitalizations, Reclassifications and Changes in the Common Stock**

In the event of any reclassification of outstanding shares of Common Stock (subject to certain exceptions), or any consolidation or merger of us with or into another person (other than with one of our subsidiaries) or any merger of another person with or into us (other than a consolidation or merger in which we are the resulting or surviving person and that does not result in any reclassification or change of outstanding Common Stock), or any sale or other disposition to another person of all or substantially all of our assets (computed on a consolidated basis) (any of the foregoing, a “Transaction”), upon exercise of the Selling Securityholder Warrants, the holder thereof will be entitled to receive the kind and amount of securities (of us or another issuer), cash and other property receivable upon such Transaction by a holder of the number of shares of Common Stock issuable upon exercise of the Selling Securityholder Warrants immediately prior to such Transaction, after giving effect to any adjustment event or, in the event holders of Common Stock have the opportunity to elect the form of consideration to be received in any Transaction, the weighted average of the forms and amounts of consideration received by the holders of Common Stock. In the event that at any time, as a result of an adjustment made pursuant to the terms of the Warrant Certificate, the holder thereof shall become entitled upon exercise to any securities other than, or in addition to, shares of Common Stock, thereafter the number or amount of such other securities so receivable upon exercise and the exercise price therefor shall be subject to adjustment from time to time in a manner and on terms as nearly equivalent as practicable to the provisions with respect to the Common Stock set forth in the Warrant Certificate.

**Fractional Shares**

No fractional shares of Common Stock shall be issued to a holder of Selling Securityholder Warrants upon exercise of any Selling Securityholder Warrant. In lieu of any fraction of a share of Common Stock that would otherwise be issuable upon exercise of the aggregate number of Selling Securityholder Warrants exercised by such holder, the holder shall have the right to receive an amount in cash (computed to the nearest cent) equal to the same fraction of the closing sale price on the trading day next preceding the date of exercise.

**Notice of Adjustment**

Whenever the number of shares of Common Stock or other stock or property issuable upon the exercise of each Selling Securityholder Warrant or the exercise price is adjusted, we will (i) compute such adjustment and prepare and transmit to our transfer agent an officer’s certificate setting forth the adjustment, the method of calculation thereof in reasonable detail and the facts requiring such adjustment and upon which such adjustment is based and (ii) as soon as practicable following the occurrence of an event that requires an adjustment (or if we are not aware of such occurrence, as soon as practicable after becoming so aware), we or, at our request and expense, our transfer agent shall provide a written notice to the holders of Selling Securityholder Warrants of the occurrence of such event and a statement setting forth in reasonable detail the method by which the adjustment was determined and setting forth the adjusted amount.

**Voting Rights**

Prior to the exercise of the Selling Securityholder Warrants, the holders of such Selling Securityholder Warrants, in their capacity as such, shall not be entitled to any rights of a stockholder of the Company, including the right to vote or to consent with respect to any matter.

**Miscellaneous**

We will pay all transfer, stamp and other similar taxes due with respect to the issuance or delivery of shares of Common Stock or other securities or property upon exercise of the Selling Securityholder Warrants; provided.
